**More saving. More doing.®**

**LIFETIME WARRANTY.** Use a complete system of approved Custom Building Products on your next installation and they guarantee that the installation will be free from defects for a lifetime. If not, Custom Building will repair or replace the defective area of the system, including labour, materials and tile. Visit [custombuildingproducts.com](http://custombuildingproducts.com)

# Know-How Resources

## The Home Depot Flooring 1-2-3

Model: 696228580

- Choose the right tile – Learn about varieties of tile, from stone to vinyl, and decide which one is best for your tiling project.
- Prepare for the project – Ready any kind of surface for tile and plan a layout that will give you the look you want.
