

SAFETY RECALL

GE Appliances, a Haier company (“GEA”) and MC Commercial Inc. (“Mabe”) Recalls to Repair Certain GE Profile™ High-Efficiency Top-Loading Clothes Washers

Model Number

WPGT9150

All Serial Numbers included

Hazard: An electrical component in the appliance can overheat, posing a risk of fire.

Recalled Product: This recall involves one GE Profile high-efficiency top-loading clothes washer model. Approximately 455 units were sold in Canada between March 2008 and July 2011. The model comes in the colour gold. The model number is located on the rear cover of the washer’s backsplash.

Remedy: Consumers should contact Mabe to schedule a free in-home repair. **To determine if your washer is affected and schedule a free repair, visit:**
