## Issue

Health Canada has determined that the recalled products do not meet the *Corded Window Coverings Regulations* and pose a choking hazard. The products can release small parts, specifically clips that are attached to the top slat of the blinds below the headrail, that present a potential choking hazard to young children.

Health Canada recommends cordless window coverings. For more information on the hazard, see [Blind Cord Safety](#).

As of December 22, 2023, the company has received no reports of incidents or injuries in Canada.

## What you should do

**Consumers should immediately stop using the recalled products and contact the manufacturer, Nien Made Enterprise Co. Ltd., for a retrofit kit and additional instructions.**

For more information, consumers can contact Nien Made Enterprise Co. Ltd. by telephone at the toll-free number 1-800-666-1779, Monday to Friday, from 9am to 7pm EST, or visit the Home Depot Canada's website [homedepot.ca](https://www.homedepot.ca).

Please note that the *Canada Consumer Product Safety Act* prohibits recalled products from being redistributed, sold or even given away in Canada.

Health Canada would like to remind consumers to report any health or safety incidents related to the use of this product or any other consumer product or cosmetic by filling out the [Consumer Product Incident Report Form](#).

This recall is also posted on the [OECD Global Portal on Product Recalls website](#). You can visit this site for more information on other international consumer product recalls.

## Additional information

### Background

#### Number Sold

The company reported that 425,846 units of the affected products were sold in Canada.

#### Time Period Sold

The affected products were sold from August 2022 to Dec 2023.

### **Place of Origin**

Manufactured in Cambodia
