

## Varathane® Bar & Table Voluntary Recall Notice

Dear Valued Customer,

In cooperation with Health Canada, Rust-Oleum is announcing a voluntary recall of our Varathane® Bar & Table Finish because the current packaging does not include an appropriate child-resistant cap.

This voluntary recall is limited to one SKU of our Varathane® Bar & Table Finish.

- Item #: Y236000 Varathane® Bar & Table Finish 946ml (UPC: 6321302428)

**Products that state “USE ENTIRE CONTENTS ON OPENING. THIS CONTAINER IS NOT CHILD-RESISTANT” is not part of this recall**

While no injuries or illnesses have been reported to date, we are proactively removing the product from the market out of an abundance of caution.

Rust-Oleum Canada recommends consumers immediately use up any open product to complete their projects and dispose of any left-over material at the same time.

New un-opened kits can be returned to retailer for a refund or can be considered as one-time use, **do not store** any leftover materials.

For further information, please call 1-800-387-3625.
