

SAFETY RECALL NOTICE

WiOn Indoor In-Wall Wi-Fi Switch

This is a Safety Recall Notice for WiOn Indoor In-Wall Wi-Fi Switch

Hazard: Screws included in the Wi-Fi switch are susceptible to being stripped during installation which can lead to overheating and a fire hazard.

Remedy: Consumers should immediately stop using the affected product and visit www.wionproducts.com or www.southwire.com for instructions on the recall and how to receive a refund for the Wi-Fi Switch and a \$5 CAD check to purchase a standard (non-Wi-Fi) replacement switch. Consumers should hire an electrician to perform the replacement and Southwire will reimburse them for this cost.

Or call 1-888-770-7156
(7 a.m. to 6 p.m. CT Monday through Friday)
