

Urgent - Product Recall

July 08, 2016

Hampton Bay Traditional Swing

Model# GSS00210A

SKU# 1000847087

UPC# 848681045091

Hazard Identified

A support rod connecting the swing to the frame can snap/break causing the chair to fall to the ground when consumers swing in a side to side motion in lieu of a front to back motion.

No injuries have been reported to date. Product was sold between February and June 2016 in-store and online at The Home Depot Canada.

What You Should Do

Consumers should immediately stop using the swing and return it for a full refund.
